Space Clearing Services

- 1.1 First meeting. Taking note of the possibilities the site offers, as well as the needs and wishes of the client. Estimating the length of time needed to complete the space clearing.

Documentation: quote for space clearing and consecration ceremony for the building.

Rates:

- 150 CHF for the first meeting (reimbursed if the consultation proceeds).
- 1300 CHF per half day on site.
- 2500 CHF per day on site, all equipment included.

- 2.1 Each consultation is personalised, depending on the aims and targets of the company.

- Energy reading of the place.
- Connection of the site to the universal light network.
- Flower offerings.
- Consecration ceremony, if necessary.
- Land soul-retrieval.
- Clearing old energy residues.
- Clearing ghosts and departed souls, if necessary.
- Many purification techniques.
- Harmonisation of the place using sound.
- Sealing the place.
- Anchoring the company's aims, targets and intentions.

- 3.1 An optional feng shui consultation. Study of the quality of the energy in the different areas of the company, determining the best place for various departments (marketing, human resources, production, design, finances, etc). Balancing the flow of energy in the workplace. Detecting harmful earth rays, geopathic stress and remedies. Measuring the electromagnetic and microwave levels, positioning of furniture, etc.

Documentation: Analysis of plans, cures and energy flows, indicating colours, materials, etc. Earth energy and numerological studies. Written report.
